Eight new volumes published or in press

It's been a while since our last newsletter. In this update we'll mention all that has happened since our last one, which announced the publication of i) Sebastian Gertz's Elias, David, and Olympiodorus's *Introductions* and ii) Dirk Baltzly and Michael Share's Hermias, *On Plato Phaedrus 227A-245E*.

Since then we have published three new volumes, and a fourth – our 110th volume – has just come out in the last month or so. These new volumes are:

- Michael of Ephesus, *On Aristotle's Nicomachean Ethics 10*, tr. J. Wilberding & J. Trompeter, with Themistius, *On Virtue*, tr. A. Rigolio, 2019 – <https://www.bloomsbury.com/uk/michael-of-ephesus-on-aristotles-nicomachean-ethics-10-with-themistius-on-virtue-9781350085077/>
- Ammonius, *Interpretation of Porphyry's Introduction to Aristotle's Five Terms*, tr. M. Chase, 2019 – <https://www.bloomsbury.com/uk/ammonius-interpretation-of-porphyrus-introduction-to-aristotles-five-terms-9781350089228/>
- Philoponus, *On Aristotle Categories 6-15*, tr. M. Share, 2019 – <https://www.bloomsbury.com/uk/philoponus-on-aristotle-categories-6-15-9781350112674/>
- Iamblichus, *On the Science of Mathematics*, tr. J. Dillon & J. O. Urmson, July 2020 – <https://www.bloomsbury.com/uk/iamblichus-on-the-general-science-of-mathematics-9781350127647/>

As well as these, we have a further three volumes through editing and into press, all due out before the end of 2020:

- Al-Farabi, *Syllogism: An Abridgement of Aristotle's Prior Analytics*, tr. W. Hodges & S. Chatti, due Sept 2020 – <https://www.bloomsbury.com/uk/al-farabi-syllogism-an-abridgement-of-aristotles-prior-analytics-9781350126992/>
- Alexander of Aphrodisias, *On Aristotle Topics 2*, tr. L. Castelli, due Sept 2020 – <https://www.bloomsbury.com/uk/alexander-of-aphrodisias-on-aristotle-topics-2-9781350151284/>
- Themistius, *On Aristotle Metaphysics 12*, tr. Y. Mayrav, due Nov 2020 – <https://www.bloomsbury.com/uk/themistius-on-aristotle-metaphysics-12-9781350127241/>

And there's more! Also in the pipeline – planned for publication by the end of 2020 but now due 2021, slightly delayed by the current global situation – is 'Alexander', *On Aristotle Metaphysics 12*, tr. F. Miller.

That's eight new volumes published or imminently forthcoming. Paperback editions of recent volumes are also coming out regularly: the paperback edition of Michael of Ephesus / Themistius listed above has just come out (June 2020).
