

**Ancient Commentators on Aristotle**  
**Bibliography 2004-2016**

This bibliography (compiled by Malcolm Nicholson) lists work on the ancient commentators on Aristotle published from 2004 to 2016. It is conceived as a supplement to two existing bibliographies covering up to 1990 (R. Sorabji, *Aristotle Transformed*, London: Duckworth 1990, 485-524) and 1991-2003 (J. Sellars 'The Aristotelian Commentators: A Bibliographical Guide', in P. Adamson, H. Baltussen, M. Stone, eds, *Philosophy, Science, and Exegesis in Greek, Arabic, and Latin Commentaries*, Bulletin of the Institute of Classical Studies, Suppl. 83/1 (2004), 239-68). It builds upon an earlier draft compiled by Annie Hewitt made in 2013 and has also benefitted from work by Katharine O'Reilly. The three bibliographies taken together hopefully offer fairly full coverage of the scholarly literature to date, although they do not claim to be complete.
